Hi everyone,

Thanks for helping to keep our environment looking good. If you cannot make your turn, please arrange a swap with someone else.

Please put the grass clippings in the green bin at the back of the church and not around the back of the presbytery or behind the swimming pool.

When we are on a fortnightly roster, if bad weather prevents you from mowing lawns on your rostered day, it would be appreciated if you could do them the following week, or as soon as is possible when the weather clears.

Regards,

*Alan*
